

# **Clubs / Extracurricular Activities: Health and Safety Plan**

School: Palmerton Area High School

Club Name: Palmerton Against Animal Cruelty (PAAC)

Club Advisor: Miranda Allen

Maximum number of students allowed to participate: Unlimited

## **General Information**

For at least the fall semester of the 2020-2021 school year, the club will meet virtually and will operate without meeting in person for the safety of all students involved.

## **Meetings**

The club will meet via Schoology Conference or Zoom once a month. The advisor will prepare postings for the daily announcements to reach interested students. Students who are interested in attending the meeting will e-mail the advisor to be added to the meeting list. Sign-ups will occur a week before the scheduled meeting. Students may join the club at any time. The advisor will create a Group in Schoology to address operations of the club with its members. Elections will be discussed via conference and voting will be held via confidential e-mail to the advisor.

## **Entrance Procedures**

If required, in person meetings for the four class officers will comply with the High School Health and Safety Plan guidelines. This will require social distancing, masks and cleaning of the seating areas by the advisor.

## **Exit Procedures**

At the end of any meeting, the students will be provided with hand sanitizer and will be dismissed from the room one at a time.

## **Notes**

Students unable to join a conference will correspond with the advisor through e-mail and will still be able to participate in fundraisers. Fundraiser materials will be delivered after school, outside of school, or delivered directly. Payment will be made via mail or check delivered by the students. The advisor will handle all deposits.

The Health and Safety Plan of the Palmerton Area Senior High School will be in effect at all times. For more information on that plan, please see the district website or contact the building principal, Mrs. Paula Husar.
